**Attachment Withheld Ex: 5 Deliberative**

We are still word smithing this, but wanted to get you where we are. Full letter is attached. The key paragraph is pasted below. We still need to work on the quotable sentence, - we know we are not there yet.

Plan is for Jared to stop by Gov office to talk today, and call DOI this afternoon. I will call CEQ. We won't read any sentences, because those are not pinned down as yet, but can give the overall tone and message.

We will get you the quotable sentence as soon as we can. Stan – other changes have been made in response to your comments this am.
